Roberts brings back Ari Adams and Molly Nelson in her latest book. Set in Phoenix, Ari has been hired to investigate and guard the interest of the First Friday Council. First Friday is when all of the boutiques and art galleries stay open late. Lately there have been some crimes which have caused unrest. Ari asks her ex, Molly Nelson, a former police detective, to help her. Molly now has her own detective agency, and she is able to bring in her staff to help cover the area. All goes well until a woman's body is found.

A Grand Plan is a good addition to the Ari Adams Mystery series. It introduces new characters, while bringing readers more of Ari and Molly. Roberts does a fine job of character development, as well as adding some unexpected twists and turns. Edited by famed author Katherine V. Forrest, A Grand Plan is not to be missed.
