Great Dragon Drama!!

By Crazy Cat Lady

Greylin or George as she is called is a dragon with a purpose. She wants to be able to find the dragon for her not just one appointed as her mate but one she can choose. Boy can she choose them too. George is an unknown and unregistered female due to her mother's choices of not wanting to be claimed and chained never to be out in the world and be herself again. That is what George wants too. It's a great story about wanting freedom of choice and to not be held back by your mate or spouse. It gets pretty steamy and kind of kinky when dealing with dragons, but it is a nice short read.
