What in the world is going on here

By Esmeralda Sanchez

The first book, A Voice In The Wind was amazing. I could not put that book down. This one however let me down. I was annoyed with how slow it started, and all the thinking Marcus did. I didn't understand also why they had to make poor Hadassah so ugly. The only thing that did was make me feel so sorry for her. Here she is a great and faithful servant, and she never gets a break. I feel as if I wasted my time reading this book. This book is not romantic so be ready. Overall the book is okay I guess, but it was just not for me.

As Good as the First!

By Monty Rainey

It is a rare find when a sequel is as good as the original, but Francine Rivers has succeeded admirably with her second installment of this trilogy in AN ECHO IN THE DARK. After reading the first one, I knew I had to read on, but never expected this book to be as good. I don't read a lot of fiction, but have a strong feeling there will be many books by this superb writer in my future.

God gives us each unique gifts in life, and he gave Francine Rivers the blessed gift of writing. She has recognized her gift and deftly uses it to glorify Christ by witnessing through her stories. I do not believe it is possible to read either of these first books of this trilogy without them strengthening ones faith, or perhaps even altering your life altogether. That's how profound these books truly are.

I don't want to give away too much of the story, but readers here will most likely have already the first

installment, so I will say that Rivers will make your heart ache for Hadassah's identity to be revealed, only to keep your incessantly turning page after page, mired in anguish and crying out for her precious soul to be rewarded. Throughout this book, as in the first, your emotions will run high as you smile, you cry, you rejoice in the glory of God as others accept His salvation.

I anxiously await the third and final installment in this trilogy, as well as exploring other works by this author. God has blessed Francine Rivers with a wonderful gift. I urge everyone to partake in that gift.

All three are great reading especially for Christian women

By Amazon Customer

Second book in a series called mark of the lion. Read all three to see God working in the lives of a Roman family and their Christian slave and then a German gladiator in the second and third books. To really appreciate it read the first one first. All three are great reading especially for Christian women. My only regret is I let my quiet time take a back seat to these books. My favorite was not in this series but it's called Redeeming Love.
