Great Introduction

By D. Condon

This is a nice condensed handbook for those starting out in clinical research. I highly recommend this as a reference book.

Great resource

By Greg

Looking to get into the business from a sponsor liaison perspective. This handbook provided as an exceptional resource for me as what to look for when managing a clinical trial. I feel more prepared now than ever!

1 of 1 people found the following review helpful.

Excellent resource

By Patricia M Hastings

Nic resource for the professional who does not routinely work in this specific role but has a background in the area of reseach.
