Very enjoyable

By M. Edward

I really thought this story was well told. No one in the story was forced into anything. A young man discovering pleasures that never knew existed. Nice details as another person mentioned in their review. A highly recommened hot read. Looking forward to part 2.

Well Writen Ridiculousness

By Ileana

I rolled my eyes at the entire story. I mean give me a break. This plot is so ridiculous and the only reason it's getting this rating is because it was well written and still a bit steamy despite how corny it was.
