Text Book Required - Great Learning

By Aunty Pasto

I am only half-way through the class. Everything is in here for EKG Certification. What more can be said, it wasn't a choice, it's a required text book. The class is great and the instructor is a wealth of knowledge. I

cannot wait to begin my new career.

Pleased

By natalie dixon

Very fast delivery. Book did show sign of damage on the outside but everything else was great.
