Everything is Beautiful

By meeeee

Thank you Amazon.com. My husband took a very tender liking to "Everything is Beautiful" by Ray Stevens. What a great hit song. I was surprised to learn that it was almost not published because it was not Ray's usual comedy music. I am VERY appreciative to receive this new CD which arrived in perfect condition and contained several of Ray's comedy songs as well. My husband is now disabled at age 76 and I am able to play the CD for him as often as he likes.

Memory Lane

By Kindle Customer

I loved Stevens irreverent songs back in high school (70"s), so was really looking forward to this CD. Some of the songs didn't sound like I remembered - either because of my memory or recorded in different venues, but still enjoyed THE STREAK and the squirrel song. Was really dissapointed that DEAD SKUNK wasn't in this collection as it was definitely a great hit of his. Of course, I knew prior to purchase that it wasn't there - just sayin' it should have been. If you remember and enjoyed THE STREAK you will definitely enjoy this CD.
