Faith n' begorah!!

By Chess

Something very weird is going on at Bailey Elementary School. It's plenty weird enough when you think your teacher is a vampire from the Transylvanian mountains, but what are you supposed to do when your substitute gym teacher seems to be a leprechaun??

Eddie, Melody and the gang are back in this, the 4th installment of the Bailey School Kids series, and as per usual, they're up to their old tricks... Especially Eddie.

Mr. O'Grady is from Ireland, and is perhaps the shortest, most wrinkled man in the world. But boy, can he dance a jig and play basketball!! Why, it's almost magical the way he moves so fast and gets that ball through that hoop so easily! And what's with that bag of jewels he's always carrying with him?? Strange things seem to happen when he touches them...

The Bailey School Kids series has by now established itself as fun, fast-paced series where unusual things

happen to the third grade gang. The most fun for young readers will be that nothing is explicitly spelled out for the reader: Mr. O'Grady COULD be a real live leprechaun (and their teacher COULD be a real vampire), or he could not be. A good deal of the evidence points to "yes!" but not enough to be 100% sure (although, by the 4th book, if you've read them in order, you're starting to get a sinking feeling that there ARE mythical/supernatural creatures visiting the school).

This book is less creepy or scary than the first two have been, and is much more light-hearted and fun. Therefore, it's a good choice for beginning readers who are easily spooked. It's a fast-paced read as well, which will snag the interest of even reluctant readers.

Leprechauns Don't Play Basketball

By A Customer

This book is about a strange new Irish gym teacher for the Bailey School kids. The problem is that he is a leprechaun who wants to steal something from Miss Jeeper. Can he get it? Other kids my age would like this book because it is fun and exciting. My favorite part was when the kids found out that the gym teacher was a leprechaun.

Great Story

By A Customer

This is a really good Bailey School Kids story. The fact that the leprechaun can do more basketball tricks than all the other kids is hilarious. Overall it was good. But please be aware that when you read this story it triggers your mind into thinking leprechauns are real but they really aren't. If that happens to you my suggestion is to read one chapter of the story each day then you won't think that leprechauns are real.
