## Review

"The scorching sex scenes and fast-paced plot are strengthened by Day's superb writing, and readers will find themselves getting pulled deeper into Gideon and Eva's world. I can't wait to see what Day does next!" - RT Book Reviews

"...the steamy sex scenes and intriguing plot twists will have readers clamoring for more." - Library Journal

"Finally--someone who is hotter than Christian Grey." - The Wall Street Journal

## From the Author

"Is it possible for two abuse survivors to have a functional romantic relationship?" -- Eva Tramell

Eva's question is the core of the *Crossfire* series. The answer she receives ("Absolutely."), gives her hope that she can find her way there with Gideon. I hope their continuing journey touches you the way it has me. We all deserve a happily ever after.

# REFLECTED IN YOU (CROSSFIRE, BOOK 2) BY SYLVIA DAY PDF

THE #1 NEW YORK TIMES BESTSELLER

THE SENSUAL SAGA OF EVA AND GIDEON CONTINUES in the hotly anticipated follow-up to BARED TO YOU...the New York Times bestselling novel of "EROTIC ROMANCE THAT SHOULD NOT BE MISSED."-- Romance Novel News

Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire... mine.

My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity.

We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession...

Powerful and Stunning sequel

By Heather BookSavvyBabe

Wow. It is difficult to know where to start with this review. When *Bared to You* released, I loved the book, but I had questions as to whether Eva and Gideon would be able to turn their attraction into a lasting relationship. One thing was made clear, whatever would come for Gideon and Eva, it wouldn't come easy.

With eager anticipation and a healthy dose of curiosity I began *Reflected in You*. I read the whole book in one sitting. *Reflected In You* grabbed me, sucked me in, pulled me along an emotional roller-coaster, and left me in awe. Readers, if you sit down with this book hoping to walk away with that blissful, romantic feeling then this series may not be for you. Gideon and Eva struggle. Their relationship is plagued by their individual insecurities, communication breakdowns, and the demons of their pasts. However, the rawness of the emotions between Eva and Gideon is striking. One minute I was convinced that they would never be able to make it work. A few minutes later, I was crying and hoping that they could just keep it together.

*Reflected to You* is a book that stands out in its genre. I am convinced that part of the reason this book is notable is because of the realism of the story. This book, this series, does not read like a fantasy romance. The issues the characters face feel real, the emotions they deal with and turn to feel real. The characters' actions are understandable, in their own way. The attraction and chemistry between Gideon and Eva heats the pages. There is no question that this book is a smoking hot read with powerful, emotional, dominating sex. However, Sylvia Day makes it clear, there is much more to this mesmerizing story than sex. Gideon and Eva both have to deal with the ugliness that has plagued both of their lives and deal with harsh realities and nasty truths that they would rather stay hidden. The powerful, emotionally-charged sex between them can bring them together, but it could also push them apart.

Eva is very definitely high-maintenance. She needs security and independence and her trust is not easily gained. A stunning realization (for me) in this book was the realization that Gideon is so much like Eva. They both need something from the other person that is the hardest to give, trust and truth. There were places in the book where I could guess what was to come. Nevertheless, I was still floored when these things actually happened. There were places in this book where my own heart was breaking for the characters. Even with the gut-wrenching emotions, I was very pleased with how the characters began to learn and grow. They both make plenty of mistakes, especially Gideon with his refusal to openly communicate. However, they do begin to learn to make concessions for each other and learn more about each other throughout *Reflected in You*. As I have said, nothing comes easily and there are always consequences.

*Reflected in You* got to me. I felt like I was on this journey with Gideon and Eva, my heart breaking when they were sad, rejoicing when they were happy, feeling frustration at the difficulties. It was not an easy book to read, but I loved every minute of it. *Reflected* is a book that will stick in my mind for a long time; I am sure to read it over and over in the future. The story is far from over though, they have much to work through and even more issues to uncover.

Gideon and Eva have an addictive relationship, they are addicted to each other, for better or for worse. As for me, I am addicted to their story, their journey through dramatic highs and lows. I am once again eagerly

anticipating the next installment in the series. Keep it coming Sylvia Day, I can't seem to get enough.

Better than Bared To You - Not at all like Fifty this time

By piercka1

Yes I read the whole book in less than half a day - I will not give away any secrets of the book in this review. I couldn't put it down. It was so intense and made you want to turn the page to see what was going to happen to both Gideon and Eva next. At times my heart ached for both of them. I love how the author brought everything together in the end. And yes we get more of a glimpse into Gideon's problems. But more important we get a good feeling of the intensity of their relationship. I am very happy that the author wasn't replicating anything that resembled Fifty in this book. This was her own work and was very well written. Her attention to detail is much better than EL James. I have to say at the end of this book I think Gideon is hotter than Christian Grey....

Now this has me waiting for the third book until December.....

Toxic Secrets

By M

In many ways, Gideon and Eva are unlikable characters. Gideon's issues with the need to control are creepy. Eva's desperation to hold onto Gideon takes away her respectability. This erotic romance somehow turns into a bit of a mystery with Gideon's bizarre actions, mixed signals & toxic secrets.

Day does a fine job of wrapping up the events of this novel while leaving the readers wanting more of Gideon & Eva's rollercoaster relationship. In my opinion, this saves the book from a two star rating.
