timeless lessons

By Captain Health

The timeless lessons on how to manage your money are priceless. I like how they are presented in stories through the eyes of Babylonian residents. It makes it easier to remember the stories and lessons of wealth management. This edition is clean and very well laid out. I am starting to pay myself first and recognizing the mistakes I've done in the past from bad investments. Love this book, I highly recommend it to read also Think and Grow Rich.

Before this book, I was in debt. After putting it's principles to work, I am now financially stable, have an emergency fund, pay my bills in advance with wiggle room. Truly changed and stabilized my life.
