Always Entertaining!

By V. Hutson

My son loves this books so it has become a family tradition to always buy the new edition when it comes out. Like always--there are tons of entertaining and interesting facts and stories. And, like always--there are some that are just a bit too gross for me!

Amazing!

By Dr. Joseph S. Maresca

This year's annual Believe It Or Not is just packed with bizarre objects, people and animals. For instance, there are a number of full color pictures of people with the Werewolf Syndrome. The headhunters of Papua New Guinea are impressive in their native costumes.

There is a rare picture of the cyclops goat, as well as an albino turtle. The lion dog has the actual fur and portrait of a real lion.

The Stone Forest in Madagascar is a wonderful panorama of finely shaped rock, as sharp as a razor. The elastic man has a perfectly pliable skin with as much elasticity as a rubber band.

"Dare to Look" Believe It Or Not is just as exciting as previous renditions of Believe It or Not together with a 3D presentation included.

Tricked My Reluctant Reader

By aksed1#

My son was so enthralled with the pictures and the fascinating stories he tore through more reading material in an afternoon than he has read in a year. It might not be classic literature but its well written and the content is quite educational. It also gives kids an appreciation of the diversity that is in the world. I would recommend this book to any parent who wants to encourage their kids to read. 10 to 15 year old
