Amazon.com Review

In all Mildred D. Taylor's unforgettable novels she recounts "not only the joy of growing up in a large and supportive family, but my own feelings of being faced with segregation and bigotry." Her Newbery Medal-winning Roll of Thunder, Hear My Cry tells the story of one African American family, fighting to stay together and strong in the face of brutal racist attacks, illness, poverty, and betrayal in the Deep South of the 1930s. Nine-year-old Cassie Logan, growing up protected by her loving family, has never had reason to suspect that any white person could consider her inferior or wish her harm. But during the course of one devastating year when her community begins to be ripped apart by angry night riders threatening African Americans, she and her three brothers come to understand why the land they own means so much to their Papa. "Look out there, Cassie girl. All that belongs to you. You ain't never had to live on nobody's place but your own and long as I live and the family survives, you'll never have to. That's important. You may not understand that now but one day you will. Then you'll see."

Twenty-five years after it was first published, this special anniversary edition of the classic strikes as deep and powerful a note as ever. Taylor's vivid portrayal of ugly racism and the poignancy of Cassie's bewilderment and gradual toughening against social injustice and the men and women who perpetuate it, will remain with readers forever. Two award-winning sequels, *Let the Circle Be Unbroken* and *The Road to Memphis*, and a long-awaited prequel, *The Land*, continue the profoundly moving tale of the Logan family. (Ages 9 and older) --Emilie Coulter

From School Library Journal

Gr 4-7—Taylor's story about Cassie and her family, set in southern Mississippi during the Great Depression, is one of those rare books that is beloved by educators and children alike. A perennially popular selection for summer reading lists, classroom discussion, and book clubs, it turns 40 this year—and boy does 40 look good on this classic. Sporting a stunning new cover illustration by Kadir Nelson and an introduction by Jacqueline Woodson, this is a beautiful edition that will be embraced by longtime fans and entice a new generation of readers. Penguin plans to release new editions of the other novels in the "Logan Family" series (all to feature cover illustrations by Nelson) as well as reprint Taylor's entire backlist over the next few years.—Kiera Parrott, School Library Journal

Yet, with this soft data, you can enjoy checking out in the spare time even in the voids of your tasks in workplace.

ROLL OF THUNDER, HEAR MY CRY BY MILDRED D. TAYLOR PDF

Winner of the Newbery Medal, this remarkably moving novel has impressed the hearts and minds of millions of readers.

Set in Mississippi at the height of the Depression, this is the story of one family's struggle to maintain their integrity, pride, and independence in the face of racism and social injustice. And it is also Cassie's story—Cassie Logan, an independent girl who discovers over the course of an important year why having land of their own is so crucial to the Logan family, even as she learns to draw strength from her own sense of dignity and self-respect.

* "[A] vivid story.... Entirely through its own internal development, the novel shows the rich inner rewards of black pride, love, and independence."—Booklist, starred review

I USE THIS IN CLASS BEFORE READING TO KILL A MOCKINGBIRD

By Trevor M.

Teaching in a primarily white school district(which is just a fact, not a problem), I enjoy teaching novels that bring knowledge of various groups' struggles, beliefs, and similarities that lead to the fact that "we are not as different as some choose to think." In teaching Harper Lee's *To Kill A Mockingbird*, I felt that my students felt sorry for Tom Robinson, but we needed to have a better understanding of where Tom was coming from. The two novels are very similar in settings, themes, point of view being that of a young girl, conflicts, and overall emotional impact they have on their readers. Kids love Little Man's strength that stretches beyond his size. They admire Stacey's confidence and loyalty to his family, friends, and people. Readers view T.J. with hatred, then confusion, and finally sympathy to this lost child...who can be compared with Harper Lee's Tom Robinson. Many of my students can relate to Jeremy Simms, who respects & enjoys the Logan family more than his own. And then there's Cassie, the narrator. Kids find Cassie to be the most complex of the Logans. Taylor presents Cassie as someone who is naive to discrimination(for lack of a better term). Often my students would write that they wished they could jump into the pages of the text and explain to Cassie what was going on so they could save her from further problems, as we see Big Ma do. My kids also wanted to just "give her a big hug." This book is a great read aloud & the sequels to follow are good as well. Let the Circle be Unbroken is #2 and also goes well with Harper's Tom Robinson's fate. *The Road to Memphis* is #3 and good as well, although I found the first two the best!

Enjoyable book

By Abu Bilal

My 13 year old daughter found Cassie to be a compelling and passionate character in an unfair cruel world. It also gave her a different perspective on the civil war.
