Great Inspirational Book

By Arlene

I want to thank Antonia Geer and Shae Bynes very much for allowing God to let you share this wonderful book "The Kingdom Driven Entrepreneur. I always believed in GOD, but never really thought of him being the steerer of my business. Following the Bible principles in operating businesses that these talented young

ladies spoke of in their book makes excellent sense.

As they said in the book "Every seed produces of its own kind (Genesis 1:11, Galatians 6:7). So one must plant a seed for success to achieve success. We have to put in the work to get the results we want.

If all entrepreneurs read and follow the Bible principles the authors write about in this book, I feel that great results can be gained.

Thanks Antonina and Shae for allowing God to use you to write this wonderful Bible inspired book that will bring blessings to all that read and follow. The Kingdom Driven Entrepreneur Companion Workbook is a perfect fit so that the readers can actually get greater results.

I would recommend this book to everyone even if they are not in business for themselves. There are benefits for all.
