Inspirational

The story itself is very inspirational but the writing in some chapters has too many details.

Thought for Food

By David A. Heskin

It's really a shame that people like Dr. Norman Borlaugh are not "celebrities". He has done more to help people than all of the PR sponsored folks (and trash) from Hollywood, Pro Sports and politicians have. An unassuming man from Iowa, his story is fascinating and well worth the read. This man is an American hero.

Amazing wonderful true story about feeding a billion starving people. I admire his perseverance and hard work! We need more people like Norman Borlaug to help feed the world.
