For Recovering Addicts

By Clement D. Thibodeau

This Workbook for those who have experienced relapses into addiction counts very highly in my work with addicts. Alcohol is my specialty. Those who drink again after a period of abstinence need special help. Just going back to AA Meetings is not really enough. The Workbooks, with a counsellor, provides in-depth work for maintaining sobriety. One cannot do it alone. Just dealing with a sponsor, plus AA Meetings, is not enough. My experience shows that the recovering person make big steps forward with this Wortkbook.

5 of 5 people found the following review helpful.

Great tool for rehabilitation

By Guy Lamunyon
Great tool for rehabilitation

I used this workbook to develop a 44 bed specialty Relapse Prevention program in a VA hospital.

These are the right tools for the seriously relapse prone alcohol/drug addicts.

Guy C. Lamunyon MSN
Certified Addictions Specialist

Very helpful

By Amazon Customer

Workbook is very detailed and provides a variety of areas to focus on. It appears to be designed for use while under instruction or guidance rather than for individual self-help. My first thoughts are it would be quite useful for someone who has determined recovery as well as serve as a tool to reference as needed.
