Great beginner book for preschool Christians!

This is my toddler's favorite bedtime storybook (next to Dr. Seuss' Great Day for Up). Being a lifelong Christian, I have always known I will have to tell the story of Creation to my child one day. Adorned with colorful illustrations and engaging biblical lines, this is an excellent beginner book to teach your child the book of Genesis. Its brevity and simplicity is stellar making it an effective tool for catechesis for the fledgling minds of the next generation.
