Helpful

By Alice

This book is a really good guide for the women who are expecting. This is always a crucial period of a woman's life so, they should take extra care of them. In these circumstances, this book can be proved very handy for them. This book is very well explained about all the necessary details and cares in the pregnancy period. I recommend this book to all women who are in this crucial period of life.

everything included

By Michael H

This is a book to read, it has everything you may want to know while you are pregnant! It covers a variety of things from eating, exercise, travel, sex, and how to keep a woman beautiful during the time of pregnancy. The Jyothi has written the book with care and shown understanding for her readers to let them know they will be ok through ll the aches and pains and joys.
